

STUDENT SCIENTIFIC SYMPOSIUM

TABLE OF CONTENT – PAPER REGISTERED

nr crt.	Nume prenume student (specializare, an)	Coordinator (disciplina)	Disciplina	TITLU LUCRARE
SECTION 01. VETERINARY MEDICINE – PRECLINICAL SCIENCES				
1.	CĂLINOIU Andrei (MV, an VI)	Conf. univ. Dr. Ștefania Raita	Histologie și Embriologie	<i>Histological differences between fillet muscle traditional preparation and industrial preparation</i>
2.	CHERAN Radu (MV, an VI)	Prof. univ. Dr. Manuella Militaru	Anatomie patologică	<i>Morphological changes due to senescence in the central nervous system</i>
3.	CUCOȘ Oana Alexandra (MV, an VI)	Șef lucrări Dr. Bogdan Tașbac	Microbiologie	<i>A study regarding some biological characteristics of serratia marcescens strains</i>
4.	GRIGORIU Ana-Maria (MV, Aan VI)	Prof. univ. Dr. Andreea Iren Șerban	Tehnici de biologie moleculară aplicată	<i>Genetic diversity of Chionomys nivalis species (snow vole) in Romania</i>
5.	HAGIU Bianca Gabriela (MV, an VI)	Conf. univ. Dr. Iuliana Codreanu	Fiziologie	<i>The effect of thermal stress on hematological and biochemical parameters in dogs</i>
6.	ISOPENCU Oana-Alina (MV, an VI)	Șef lucrări Dr. Bogdan Tașbac	Microbiologie/Imunologie	<i>Study regarding the clinical and microbiological diagnosis of canine distemper infection</i>
7.	LUPU Mihnea (MV, an VI)	Prof. univ. Dr. Manuella Militaru	Anatomie patologică	<i>Partial results of the study: aggressive behaviour in sasso hybrid – lesions frame and possible favored factors</i>
8.	NISTOR Laurențiu (MV, an VI)	Conf. univ. Dr. Elena Mitrănescu	Bunăstarea și protecția animalelor	<i>The research of the wellbeing of the slow-growing broiler in Bacău county</i>
9.	PETRARU Andreea (MV, an VI)	Prof. univ. Dr. Manuella Militaru	Anatomie patologică	<i>Anatomopathological aspects of renal senescence</i>
10.	POPESCU Nicu (MV, an VI)	Prof. univ. Dr. Maria Crivineanu	Farmacologie	<i>Study regarding the efficacy of some non-steroid anti-inflammatory drugs in osteo-articular pathologies of canines</i>
11.	STANCU Gilda – Maria (MV, an VI)	Conf. univ. Dr. Cristian Belu	Anatomie	<i>The morphological study of the forelimb muscles of the european badger (meles meles)</i>
12.	ȘTEFĂNESCU Raluca-Theodora (MV, an VI)	Conf. univ. Dr. Cristian Belu	Anatomie	<i>Study of the somatic and vegetative innervation in the cervico-cephalic area in canids</i>
13.	STROE Veronica-Adriana (MV, an VI)	Prof. univ. Dr. Manuella Militaru	Anatomie patologică	<i>Chronic kidney disease in cats</i>
SECTION 02. VETERINARY MEDICINE – CLINICAL SCIENCES				
1.	ALMASI Maria (MV, an VI)	Conf. univ. Dr. Niculae Tudor	Radiologie și imagistică	<i>Prevalence of dental disease in pet rabbits from romania</i>
2.	ANTON Ana-Maria (MV, an VI)	Conf. univ. Dr. Georgeta Dinescu	Diagnostic Citopatologic	<i>Partial results regarding the epidemiological study of canine cutaneous mast cell tumor</i>
3.	CATRINOIU Stefania-Madalina (MV, an VI)	Conf. univ. Dr. Corneliu Braslasu	Cardiologie	<i>Clinical research on the diagnosis and treatment of dilative cardiomyopathy in adult dogs</i>
4.	CIOCĂNEL Alexandra (MV, an VI)	Conf. univ. Dr. Stelian Bărațăreanu	Boli infecțioase și medicină preventivă	<i>Porcine coronaviruses and their zoonotic potential</i>
5.	CONDRUZ Cosmina (MV, an VI)	Șef. lucrări Dr. Cristina Preda	Patologia animalelor exotice	<i>Brown bear- between freedom and captivity. Behavioral, nutritional and parasitological aspects</i>
6.	MIHĂILEANU Diana-Valentina (MV, an VI)	Conf. univ. Dr. Georgeta Dinescu	Diagnostic Citopatologic	<i>Preliminary data in the comparative study between different methods of collection and preparation of slides and the relevance for cytopathological</i>

				<i>diagnosis</i>
7.	MUSTĂŢEA Adela (MV, an VI)	Prof. univ. Dr Manuella Militaru	Quality management in veterinary education	<i>Communication patterns and their influence in the medical act: veterinarian vs. Pet owner</i>
8.	NACU Andrei (MV, an VI)	Conf. univ. Dr. Niculae Tudor	Radiologie şi imagistică	<i>Spondylosis deformans versus diffuse idiopathic skeletal hyperostosis in dogs – radiographic aspects</i>
9.	NEACŞU MIHAELA MĂDĂLINA (MV, an VI)	Prof. univ. Dr. Mariana Ioniţă	Parazitologie şi boli parazitare	<i>Clinical, diagnostic and therapeutic aspects of feline dermatophytosis: a case-series</i>
10.	NECULA Diana Madalina (MV, an VI)	Conf. univ. Dr. Poliana Tudor	Parazitologie şi prelegeri clinice pe specii	<i>Prevalence of internal and external parasitism in poultry from prahova county</i>
11.	NICOLAE George (MV, an VI)	Prof. univ. Dr. Manuella Militaru	Anatomie patologică	<i>Comparative study regarding collection of bone marrow core for histopahtological examination from dogs using two different collection sites</i>
12.	PĂUN Alexandra- Georgiana (MV, an VI)	Şef lucrări Dr. Jacqueline Mocanu	Ortopedie şi podotehnie	<i>Clinical aspects, evolution and treatment in some acropodial conditions in cattle</i>
13.	PÎRVULESCU Iulia- Elena (MV, an VI)	Prof. univ. Dr Emilia Ciobotaru- Pîrvu	Medicină legală şi diagnostic necropsic	<i>Postmortem morphological evaluation of hepatopathies in cats</i>
14.	POPA Simona (MV, an VI)	Şef lucrări Dr. Cristina Fernoagă	Clinică medicală	<i>Phenobarbital treatment and dosing in reactive and structural epileptic seizures</i>
15.	POPESCU Maria (MV, an VI)	Prof. univ. Dr Emilia Ciobotaru- Pîrvu	Medicină legală şi diagnostic necropsic	<i>Causes of wild bird mortality in argeş and vâlcea counties</i>
16.	POPESCU Raluca- Georgiana (MV, an VI)	Şef lucrări Dr. Tiberiu Constantin	Obstetrică şi ginecologie	<i>Assessment of fetal viability by evaluating amniotic fluid in domestic carnivores</i>
17.	RADU Maria Alexandra (MV, an VI)	Conf. univ. Dr. Ruxandra Costea	Anesteziologie	<i>Anaesthesia protocols for emergency cesarian- section in dogs and cats</i>
18.	SANDU Andreea (MV, an VI)	Şef lucrări Dr. Tiberiu Constantin	Obstetrică şi ginecologie	<i>Comparison between the efficiency of the parturition induction protocols in topigs tn 70 sows</i>
19.	STAN Silvia Oana (MV, an VI)	Conf. univ. Dr. Alexandru Diaconescu	Tulburări de reproducţie	<i>A study regarding the utilization of ultrasonographic methods in the evaluation of bitches' ovaries</i>
20.	ȚOLEA Ionuț – Gabriel (MV, an VI)	Şef lucrări Dr. Tiberiu Constantin	Obstetrică şi ginecologie	<i>Importance of backfat thickness assessment for breeding activity in topigs tn70 sows</i>
21.	VANCA Mihnea (MV, An VI)	Conf. univ. Dr. Niculae Tudor	Radiologie şi imagistică	<i>Radiologic aspects and the prevalence of articular pathologies in the joints of the limbs in dogs</i>
22.	ZAHARIA Vlad-Mihai (MV, an VI)	Conf.univ.dr. Niculae Tudor / Asist. univ. Dr. Alexandru Neagu	Radiologie şi imagistică	<i>Imaging aspects regarding intervertebral disc diseases in dogs</i>
	SECTION 03. VETERINARY MEDICINE – PUBLIC HEALTH & ANIMAL PRODUCTIONS			
1.	CONSTANTIN Adina Georgiana (MV, an VI)	Prof. univ. Dr. Manuella Militaru / Asist. univ. Dr. Raluca Ioana Rizac	Anatomie patologică	<i>Retrospective analysis of the cases registered from 1998 to 2020 in the pathological anatomy laboratory of the faculty of veterinary medicine in bucharest</i>
2.	GHERGHINA Ilinca (MV, an VI)	Conf. univ. Dr. Teodoru Soare	Anatomie patologică	<i>Correlations between histopathological diagnosis and epidemiological investigations on cat mammary gland neoplasia</i>
3.	ILIE Eliza Teodora (MV, An VI)	Conf. univ. Dr. Ion Radoi	Managementul bolilor suinelor	<i>The evolution of african swine fever in europe and asia between 2018-2020</i>
4.	NICA Andreea	Prof. univ. Dr. Dana	Sisteme de	<i>Research on the development of the chicken</i>

	(MV, an VI)	Tăpăloagă	Productie Animaliera	<i>embryo during an incubation cycle</i>
5.	ȘTEFAN Adrian Petrăreanu (MV, an VI)	Conf. univ.Dr. Carmen-Daniela Petcu	Igiena și controlul produselor de origine animala	<i>Particularities regarding the technology and control of swine slaughter in a profile unit</i>
6.	SAVANCEA Andreea Loredana (MV, an VI)	Conf. univ. Dr. Georgeta Dinescu	Sănătatea albinelor și viermilor de mătase	<i>Preliminary results regarding apis mellifera bees swarming</i>
SECTION 04. C.E.P.A				
1.	AVRAM Electra-Denisa (master, year II, EPA)	Prof. univ. Dr. Dana Tăpăloagă	Scientific research activity	<i>Study regarding qualitative analysis of milk according to physico-chemical and microbiological parameters</i>
2.	BRAD Gabriela (CEPA, an IV)	Conf. univ. Dr. Liliana Tudoreanu	??	<i>Minerals and cotaminants in fish- a review</i>
3.	CIOCĂNEL Maria Arina (CEPA, an IV)	Conf. univ.Dr. Laurențiu Tudor	Quality Control of Animal Food	<i>Quality control of products harvested from the commercial network</i>
4.	CIOCĂNEL Sandra Elena (CEPA, an IV)	Conf. univ.Dr. Laurențiu Tudor	Quality Control of Animal Food	<i>Quality control of some semi-smoked products obtained in a specialized unit</i>
5.	CIOCĂNEL Raluca Ioana (CEPA, An IV)	Conf. univ. Dr. Laurențiu Tudor	Quality Control of Animal Food	<i>Quality control of some raw materials and fresh products obtained in a specialized unit</i>
6.	CRISTOFIE Carmen Elena Cristofir (Masters : year II, EPA)	Șef Lucrări Dr. Lucian Ionel Ilie	Quality, Safety And Security Of Food Products	<i>Modern techniques for detection, isolation and identification of listeria monocytogenes from products of animal and vegetable origin</i>
7.	DOBRE Ștefania-Roberta (MV, an VI)	Conf. univ. Dr. Mimi Dobrea	Microbiologie	<i>Detection and quantification of bacteria of the species escherichia coli (positive beta-glucuronidase) in some foods of animal origin</i>
8.	DOBRIN Claudia – Florentina (CEPA, an IV)	Șef lucrari Dr Oana-Mărgărita Ghimpețeanu	Quality Control Of Agri-Food Products Of Vegetable Origin	<i>The particularities of the technological flow and aspects related to quality in a bakery factory Bibliographic study</i>
9.	DRĂGUINEA Alexandra Florina (CEPA, an IV)	Conf. Univ. Dr. Aurelia Magdalena Pisoschi	Additives And Ingredients In Food Industry	<i>Ascorbic acid-antioxidant substance in citrus juices and supplements: evaluation by instrumental methods and redox volumetry</i>
10.	GHEORGHIU Diana Alexandra (CEPA, an IV)	Conf. Univ. Dr. Liliana Tudoreanu	Food Rheology	<i>The study of textural properties of grilled and baked salmon, mackerel and carp.</i>
11.	GHIȚĂ Andreea-Gabriela (MV, an VI)	Conf. univ. Dr. Mimi Dobrea	Microbiologie	<i>Detection and quantification of yeasts and molds in food products</i>
12.	IONESCU Alina (CEPA, an IV)	Șef lucrari Dr Oana-Mărgărita Ghimpețeanu	Quality Control Of Agri-Food Products Of Vegetable Origin	<i>The quality of the different bread assortments from a profile unit from dâmbovița county</i>
13.	IRIMIA Raluca-Aniela Irimia (Master: year II, EPA)	Prof. univ. Dr. Dana Tăpăloagă / Șef luc. Lucian Ilie	Scientific research activity/ quality, safety and security of food products	<i>Study regarding the perspectives of using oregano essential oil in the meat production industry</i>
14.	NICOLAE Elena-Bianca (CEPA, an IV)	Șef lucrari Dr. ing. Oana-Mărgărita Ghimpețeanu	??	<i>Quality elements for the toast type bread assortment in a profile unit</i>
15.	PÎRJOL Loredana-Simona (CEPA, an IV)	Conf. univ. Dr. Tudor Laurențiu	Quality Control and Assurance in the Food Industry	<i>Quality control of assortments of meat proucts in the s.c. costescu s.r.l.</i>
16.	SFEIR Serina (CEPA, an IV)	Conf. univ. Dr. Tudor Laurențiu	Quality Control of Animal Products	<i>Quality control of chicken meat obtained in a specialized unit</i>
17.	SIMION Alina – Georgiana (CEPA, an IV)	Șef lucrari Dr Oana-Mărgărita Ghimpețeanu	Quality control of agri-food products of vegetable origin	<i>Quality control of pasteurized blonde beer packed in metal boxes from a profile factory from ilfov county</i>
